

# 11 THINGS THAT PROVE YOU LOVE YOUR CAREER

Here are signs that prove you actually love your job or career more than you are aware of:

## SUNDAY EVENINGS DON'T DEPRESS YOU

You go about your usual routine and go to sleep not minding that tomorrow's a work day.

## THE WORK YOU DO GIVES YOU HAPPINESS AND PRIDE

Every done task, every successful project, every conquered hurdle leaves you smiling.

## EVEN IF YOU DON'T GET PAID YOU'LL STILL DO YOUR JOB

But getting paid is strongly recommended and preferred, of course.

## YOU WAKE UP ENERGIZED AND INSPIRED

After a shot of caffeine, you're ready—and excited—to face the challenges that wait.

## YOU LIKE TELLING PEOPLE WHAT YOU DO FOR A LIVING

You can go on and on when people asks what your profession is.

## YOU'RE NOT JUST "SURVIVING"

You don't drag your feet to work and "endure" the work that awaits.

## YOU'RE GOOD AT WHAT YOU DO AND YOU STRIVE TO BE BETTER

You want to grow bigger and brighter and help people out on the way.

## LOOKING AT THE CLOCK IS NOT A HABIT OF YOURS

You're so immersed in your tasks that you have to be reminded of lunch and clock out time.

## CAREER GROWTH IS SOMETHING YOU THINK ABOUT REGULARLY

You think about the future and what you want to achieve professionally.

## YOUR COLLEAGUES ARE YOUR FRIENDS — SOMETIMES EVEN FAMILY

You don't just work with your officemates; you develop a meaningful bond with them.

## HOW PEOPLE CAN HATE THEIR JOBS, YOU'LL NEVER KNOW

Because you're content professionally, you don't know why others are struggling at work.

We all have different passions and we all have different goals; the important thing is we do our jobs well and with dignity.

If you're a student getting ready for your future, Resume Valley offers student resumes that can give you the head start you need in the workforce.
